

AQUATIMER

It's great that you want to use water and energy more sustainably! The AQUATIMER helps you save quickly.

Easy connection in 3 steps

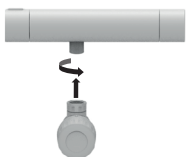

1.

Unscrew the shower hose from the shower tap.

If you can't do this by hand, you can use pliers and a cloth.

2.

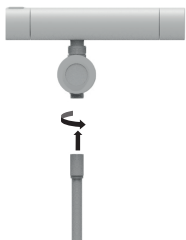

Mount the AQUATIMER to the shower tap with the knob facing forward.

Tighten the swivel of the AQUATIMER by hand only.

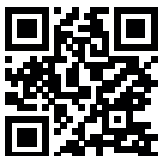

Hold the AQUATIMER so that it doesn't turn.

3.

Attach the shower hose to the AQUATIMER.

To connect, refer to the video on www.aquatimer.nl or scan the QR code.

Use

Set your desired shower time on the AQUATIMER

Turn on the shower tap

The water flow stops automatically when the time has elapsed

Turn off the shower tap
